Andhra Cuisine At It's Best

## The crown, a symbol for our commitment to taste, expertise and authenticity.

The story of Nagarjuna began over three decades ago when a humble agriculturist from Andhra Pradesh, N Krishna Reddy set up the first Nagarjuna restaurant on Residency Road in 1984 with the intention of bringing his native rustic food to the fast paced city of Bangalore.

Armed with little more than his passion, it took some time for the Nellore-born to establish strong costal Andhra cuisine with Bangaloreans. But once discovered, they were converted for life. The legacy was continued by his youngest son, N Mohan Reddy who took forward the Nagarjuna cause aiming to reach the maximum number of food lovers across town and introduce them to their earthly fare.

Today, you will find Nagarjuna restaurant in all leading localities. Though we have grown in size, our food still remains the same. The original recipes closely guarded and humble roots never forgotten. This is home-style food cooked and served with joy, the way its meant to be, with simplicity and love.

Welcome to Nagarjuna. Join us in celebrating the goodness of wholesome and pure food steeped in Andhra tradition.
